INFORMATION

Location

Tri Star Gymnastics is located at 55 Arundel St, Mt Roskill, Auckland. Our facility is located in Keith Hay Park which is a popular recreational park for soccer, swimming, cricket kids playgrounds and of course gymnastics.

Nutrition

Please send your athlete with a drink bottle & food for breaks so we don't have anyone keel over from lack of fuel! We allow athletes to have snacks during training sessions (such as a quick bite of a muesli bar or banana).

Burgers

Make sure to communicate clearly any special dietary requirements you may have in the food allergies section of registration. We can whip up some yummy vege burgers if that is your preference but we just need to know in advance.

Injuries

It is normal in gymnastics to be carrying injuries of varying degrees but don't let that stop you from attending Summer Camp! Simply communicate your specific injury considerations to your coach and they will modify / alter the exercises to meet your needs. Please don't suffer in silence!

Stay Over Option

For those senior camp athletes staying over, please note that this is back packer style accommodation with mattresses / crash pads in the gym as your choice of 'bed'.

Please remember to bring ...

- Sleeping Bag
- Pillowcase (& pillow if you prefer your own).
- Usual toiletries & towel for shower (we have good, private shower facilities at the club).
- Personal Entertainment, (personal devices are encouraged but we will ask them to be put away at lights out!) We will have movies available also.
- some money for entry to the pool complex next door as you will have time in the mornings to visit.
- Please remember to fill out the food allergies section of registration so we can make sure to cater to your needs.
- N.b. Stay over athletes will have their shared meal contribution provided for them.

Sleep Over / Shared meal - Senior & Junior Camps

Remember to bring ...

- Sleeping Bag
- Pillowcase (& pillow if you prefer your own).
- Usual toiletries & towel for shower (we have good, private shower facilities at the club).
- Teddy bear ;0)
- Movie snacks

When we group the athletes at the start of the camp we will indicate the type of plate that group will be asked to bring to shared meal (e.g. salad, carbs, meat dish, dessert) so we don't end up with 10 bowls of mac cheese!
