

# Concerns & Complaints Pathway

If you have witnessed or experienced concerning behaviour at Tri Star, we want to know about it. The safety of our members is important to us and we all play a part in creating a positive space to enjoy gymnastics: athletes, parents and staff.

If you wish to express concerns to Gymnastics New Zealand, you can access their independent Sport and Recreation Complaints and Mediation service by calling 0800 493 612.

If you wish to express any concerns directly to the Child Protection Officer, please text 027 312 8961 (confidential phone number)
